

Bike Repair Toolkits

Urban toolkit

- ⦿ hand pump *check that it is compatible with your type of valve*
- ⦿ tyre levers
- ⦿ puncture repair kit *sand paper, patch, glue (if patches not self-sticking)*
- ⦿ replacement inner tube *make sure valve is compatible with wheel rim*
- ⦿ multi-tool *Phillips screwdriver, Allen keys*
- ⦿ small adjustable spanner *if your bike has nuts*
- ⦿ chain lube

Touring/remote toolkit

- ⦿ urban toolkit plus...
- ⦿ chain breaker *some multi-tools include this*
- ⦿ small pliers *get pliers with cutting section to double as cable cutters*
- ⦿ spare brake & gear cables *make sure cable heads are compatible with your bike*
- ⦿ torq key *if your bike has these kind of nuts*
- ⦿ spoke wrench
- ⦿ spare spokes
- ⦿ replacement brake pads
- ⦿ cable ties
- ⦿ duct tape
- ⦿ rag

Bikes on planes/trains

- ⦿ pedal wrench *often required to remove pedals for transport*

Tool-less tricks
